

3C WIPES are Large, Professional, Very Low Odour, Multi-Use Cleaning Wipes that have been specially formulated for the building trade to clean sealants, adhesives, mastic sealants, resins, oils, inks, sticky residues, grease and dirt from skin and surfaces.

## **BENEFITS:**

- Removes grip adhesives & other PU's
- Removes silicones & other mastic sealants
- Removes resins, oils, inks & tars etc.
- Removes sticky residues from surfaces
- Removes grease & dirt etc from skin

## **STORAGE:**

Store in cool dry conditions away from direct sunlight, between +5 and +25°C. Storage outside of these parameters will dramatically reduce the shelf life. Ensure good ventilation.

## **IMPORTANT NOTE:**

Do not use on porous surfaces such as untreated wood.

On sensitive surfaces, always test a small inconspicuous area before use.

Store in original package.

Do not dispose wipes in toilets.

As with all detergents, people with sensitive or damaged skin should avoid prolonged contact.

It is the user's responsibility to determine suitability for use. If in doubt, please contact Technical Services Department for further information.

## **HEALTH & SAFETY:**

KEEP OUT OF REACH OF CHILDREN.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

The technical data contained herein is based on our present knowledge and experience and we cannot be held liable for any errors, inaccuracies, omissions or editorial failings that result from technological changes or research between the date of issue of this document and the date the product is acquired. Before using the product, the user should carry out any necessary tests in order to ensure that the product is suitable for the intended application. Moreover, all users should contact the seller or the manufacturer of the product for additional technical information concerning its use if they think that the information in their possession needs to be clarified in any way, whether for normal use or a specific application of our product. Our guarantee applies within the context of the statutory regulations and provisions in force, current professional standards and in accordance with the stipulations set out in our general sales conditions. The information detailed in the present technical data sheet is given by way of indication and is not exhaustive. The same applies to any information provided verbally by telephone to any prospective or existing customer.
