<b>Packaging</b>	400ml aerosol
<b>Appearance / Colour</b>	Dark brown liquid
<b>Shelf Life</b>	12 months from date of manufacture.
<b>Storage Conditions</b>	Store in cool dry conditions between + 5°C and 25°C. Avoid heat and static discharges. Pressurized container – protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn even after use.
<b>Density</b>	0.81g/cm <sup>3</sup>
<b>Flash Point</b>	< 0°C

## APPLICATION INSTRUCTIONS

### APPLICATION METHOD / TOOLS

Shake can well and spray directly onto item to be treated. For precise applications, fit straw to help direct spray. Badly rusted or corroded fastenings may require two or three applications; allow one hour between applications.

### LIMITATIONS

CAUTION- EXTREMELY FLAMMABLE. Do not spray directly onto incandescent or hot surfaces.

### VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

### LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

### ECOLOGY, HEALTH AND SAFETY

For information and advice on the safe handling, storage and disposal of chemical products, users shall refer to the most recent Safety Data Sheet (SDS) containing physical, ecological, toxicological and other safety-related data.

## LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
